

HEALTH & SAFETY FIRST

At Helion Villas the health and safety of our guests and staff is our top priority. In addition to our already enforced high standard cleaning processes, we follow very strictly all guidelines and protocols issued by our National Public Health Organization (EODY) as well as our Ministry of Tourism.

- Special training for Covid-19 health and safety measures to all our staff.
- Our staff is supplied with all necessary PPE equipment (masks, disposable gloves, etc).
- Our villas are thoroughly cleaned and disinfected with professional, certified cleaning products and all fabric surfaces (mattresses, curtains, pillows, etc) are steam cleaned.
- Spa area thoroughly cleaned and disinfected.
- All remote controls are disinfected and placed in single-use bags.
- Hand sanitizer is provided in the villas for your use while staying with us.
- For safety reasons no visitors are allowed.
- Personal details will be asked upon check in, as per our government's Covid-19 protocol.
- If at any point you feel unwell, kindly contact us immediately.

Greece's National Covid-19 Helpline is **1135**.
